CORPORATE PARTNERSHIP PROGRAM

- **CONTACT**

The National Guard Association of New Jersey (NGANJ) supports the National Guard Association of the United States (NGAUS) in providing states and our members a unified representation before Congress. It seeks modernization of facilities and equipment, training, missions and personnel benefits for the Army and Air National Guard by lobbying Congress and the Executive Branch.

We are reaching out to you in order to continue to be able to provide the highest quality support and assistance to our soldiers, airmen and their families. Your corporate membership is vital in helping us to fund the necessary training, travel and programs that aid our efforts to ensure that the NJ National Guard has the support and equipment it needs when called upon to defend the United States or respond to local and State emergencies. The NGANJ Corporate Membership program is designed to develop and sustain partnerships between the state association, corporate members and the Army and Air National Guard. We know (company name) can provide value to the New Jersey National Guard and by partnering with NGANJ, your organization will have the opportunity to meet and access executive decision makers while maximizing your exposure through our sponsored events.

NGANJ offers three levels of corporate membership with annual fees ranging from \$500 to \$1500. You may choose the membership and benefit level that best meets your needs: Gold, Silver or Bronze.

Every day the soldiers and airmen of the New Jersey National Guard stand ready to sacrifice in so many ways to protect our freedom and security. In order to secure the most up to date training, equipment, missions and personnel benefits for our soldiers and airmen, we need your assistance.
