The National Guard Association of New Jersey (NGANJ) supports the National Guard Association of the United States (NGAUS) in providing states and our members in a unified representation before Congress. The NGAUS legislative department is the lobbying branch of the association. It seeks modern equipment, training, missions and personnel benefits for the Army and Air National Guard by lobbying Congress and the Executive Branch.

We need your help in ensuring New Jersey's voice is heard. We need you to remain an active member of the NGANJ and NGAUS by paying your 2010 dues. State membership symbolizes the mandate for NGAUS to represent all of the National Guard officers and warrant officers. Maintaining a 100% membership sends a loud message to Washington.

Did you know that NGAUS Insurance Trust provides every dues paying member under the age of 80 with a no-cost \$1,000 accidental death and dismemberment insurance policy? All you need to do to receive is be an active dues paying member. As an active member, you are also eligible to receive NGANJ awards and scholarships for you and family members.

Please take the time and reference the chart below that shows the dues for your appropriate rank.
